IDEAS TO START YOUR NEXT DROPSHIPPING BUSINESS

WWW.PERZONALIZATION.COM
WHAT IS DROPSHIPPING?

Dropshipping is a retail fulfillment strategy where a store doesn't own the items it offers in their stock.
WHERE DO THE GOODS FOR SALE COME FROM THEN?

**STEP 1**
1. Makes order
2. Makes payment

**Step 2**
1. Makes payment
2. Sends customer order

**Step 3**
1. Packages product
2. Ships product to customer

When a store sells an item, it buys it from a third-party (could be a manufacturer or a wholesaler) and has it transported straight to the client.
